DESCRIPTORS Educational Assessment; *Educational Finance; Elementary Secondary Education; *Expenditures; Foreign Countries; Local Norms; *Regional Characteristics; School Districts; School District Spending; School Funds; *School Statistics; School Taxes; State School District Relationship; Tables (Data)
IDENTIFIERS *Alberta; *Canada

ABSTRACT

This report provides data on assessment and requisition for Alberta (Canada) school jurisdictions for the 1987-88 school year (1988 fiscal period). It also contains information on debenture borrowing, and financial statements for school districts and counties. Assessment and requisition data include a provincial summary; other information is provided by jurisdiction only. Division and district data are given for the school fiscal year from September 1987 to August 1988, while county information is reported on a calendar year. Data are grouped as follows: (1) assessments and requisitions; (2) debenture borrowing; and (3) financial statement data. In all, there are 110 tables. (SLD)

FOREWORD

The **Financial and Statistical Report of Alberta School Jurisdictions** provides certain financial data on the school jurisdictions in Alberta. It contains assessment and requisition, debenture borrowing and financial statement data.

In this edition, information is presented for 1987-1988 school or 1988 calendar fiscal years.

This edition is organized into three parts. The assessment and requisition data is shown at the beginning of the book, since it is for all divisions, districts and counties. It includes a provincial total and is for both the 1987 and 1988 calendar years. The debenture borrowing data is shown next and is divided into two groups. The division and district data is shown for the September 1987 to August 1988 school fiscal year and the counties data is shown for the January to December, 1988 calendar fiscal year, with a group total for each. The financial statement data is shown next and is divided into three groups. A provincial total of the two twelve-month fiscal years is shown. Since divisions and districts have changed to the school fiscal year, their data is shown for the September 1, 1987 to August 31, 1988 school fiscal year, with a division and district total. Since counties are not required to submit a school fiscal year audited financial statement, their data is shown for the January 1 to December 31, 1988 calendar year, with a group total.

The assessment and requisition data is compiled from the 1987 and 1988 calendar year Supplementary Requisition Forms. These amounts are divided by the applicable September 30, 1987 or September 30, 1988 resident student data.

The debenture borrowing data is taken from the debentures sold to the Alberta Municipal Financing Corporation and is shown by interest rate and by term.

The financial statement data is taken from the September 1, 1987 to August 31, 1988 Audited Financial Statements form of divisions and districts and the January 1, 1988 to December 31, 1988 audited County School Funds Report.

(The September 30, 1987 enrolled student data is shown in the **1987-1988 Annual Report of Alberta Education.** The 1987-88 per student expenditures by group are shown in the **1988-89 Annual Report of Alberta Education.**)

*** S.F.P.F. Levy**

The Alberta Education School Foundation Program Fund (S.F.P.F.) revenue consisted of an amount from the S.F.P.F. levy on municipalities in the province and the balance from a legislative appropriation of provincial general revenue.

The S.F.P.F. levy remains on the calendar year and results from the S.F.P.F. requisition of x mills on the Provincial School Foundation Fund equalized assessment of municipalities. (The S.F.P.F. levy includes the City of Lloydminster; however, the Lloydminister school districts do not submit financial reporting data.)

The 1987 S.F.P.F. levy was $150,320,379 resulting from the S.F.P.F. requisition of 15.5 mills. (This included the City of Lloydminister levy of $707,345.) The 1988 S.F.P.F. levy was $154,611,287 resulting from the S.F.P.F. requisition of 15.5 mills. (This included the City of Lloydminister levy of $727,490.)

INFORMATION FOR THIS REPORT WAS COMPILED BY SCHOOL BUSINESS ADMINISTRATION SERVICES
